RESIDENCY REQUIREMENTS:

IMPORTANT The MA Trusted Choice Big I Junior Classic is open to Massachusetts Juniors only. In past years we were able to accept a junior from a neighboring state if that state did not participate in the program. The National Big I Championship no longer provides allotments for out of state players, and our National spots are reserved for Massachusetts Juniors. Permanent residence is defined as the state in which you attend school.

STATE/NATIONAL TOURNAMENTS:

Up to sixty juniors will advance to the State Finals at the Crumpin Fox Club in Bernardston, MA on July 14-15, 2011. The top three Massachusetts boys and one Massachusetts girl will advance to the Big I National Championship on August 1 – 4, 2011 at the Reunion Golf and Country Club, Madison, MS. You are responsible for entry fees for the local qualifier and state tournaments. The Massachusetts Association of Insurance Agents (MAIA) assumes the cost of transportation and entry fees for the Big “I” National Championship. Housing will be provided in private homes on or near the course that are screened by the Big “I” National Championship Host Committee. MAIA provides a chaperone that will travel with the juniors and be on location throughout the Big “I” National Championship Tournament.

TOURNAMENT RULES:

1. No parents, guardians, friends, etc. are allowed to follow players on the course during the tournament. Observers will be permitted at vantage points designated by the Tournament Committee.
2. Practice rounds are optional and fees are not included in the entry fee. Players are responsible for calling the host facility to schedule a practice round.
3. Range balls are complimentary at the state tournament prior to tournament rounds. The range will be open at least 45 minutes prior to the start of play. After the completion of your tournament round, the golf course may charge a nominal fee for range.
4. The Rules of Golf require that a player shall at all times play without undue delay. Big “I” Junior Classic Officials will use discretion concerning the pace of play with early groups. It is the player’s responsibility as well as the group’s to stay in position and on time. If a group falls out of position, it will immediately be put on the clock and monitored. If the group cannot make up the time or regain its position, penalties will be handed out accordingly. Slow play will not be tolerated. All groups will be expected to play at a reasonably fast pace, 14 minutes per hole (4 hours 20 minutes).
5. At the conclusion of your eighteenth hole, competitors must go directly to the scoring area to check scores and return your signed scorecard. You are responsible for the correct hole-by-hole scores and two signatures. Your round is not complete until you have left the scoring area.
6. A suspension for a dangerous situation (i.e.: lightning or tornado) shall be signaled by three short siren or horn blasts. Players shall discontinue play immediately and seek shelter. All practice areas shall be closed during suspension for a dangerous situation until the committee has declared them open for use. One long horn or siren blast will notify players when it is safe to resume play
7. All ties for first through third place for boys and first place for girls will be broken with a sudden death play-off.
8. The Rules of Golf, it’s Decisions and the Local Rules provided by the Big “I” Junior Classic will govern all play at the Big “I” Junior Classic Events. It is the responsibility of the player to know and understand the rules of golf. During competition, if a player has a question on a ruling or relief procedure and a rules official is not around, the player should apply Rule 3-3 and report the facts to a rules official.
9. No carts, caddies or pull carts are permitted.
10. No cellular phones or beepers are permitted on the golf course during tournament rounds.
