Arthur Murphy ; The CCIATA Scholarship Committee

I humbly thank you for awarding me your CCIATA Scholarship; it is truly an honor to be recognized by your organization and the greater Cape Cod community. Scholarships like yours have an enormous impact on students' lives — especially mine. The award of your scholarship will help me to pay for books, as well as serving to offset the costs of out-of-state tuition at the University of Central Florida.

This past fall semester as a member of the Honors College at UCF, I took Calc 1, Chem, Psychology, among other courses, and obtained a 4.0 GPA. This semester, I will be taking Calc 2, Physics 1, English Composition, and other courses for 16 credits. I hope to also accumulate a 4.0. Looking forward, I plan to take part in research related to my major — Aerospace Engineering. As a member of UCF's EXCEL program, I will be able to achieve this goal.

Once again, thank you for awarding me the CCIATA scholarship.

It truly makes a difference in the lives of students like myself.

Regards,

Daniel Zemie
