Dear CCIAA Board & Members,

I wanted to extend my sincerest gratitude and appreciation to all of you for assisting me in my efforts to help Children's Cove. We collected a total of 46 stuffed animals due to your generosity. The stuffed animals were delivered to Children's Cove who were very appreciative.

In addition to the collection of stuffed animals, I was able to organize another tradition of Children's Cove. With the gathering of my classmates and my school's support, we made Santa sacks for the gifts that are provided to the children for Christmas.

I was honored and so appreciate to all who helped and contributed to this worthy cause. Thank you again for your contribution.

Happy Holidays!

Respectfully,

Quinton M. Farrell

Quinton & Helena,

Thank you so much for all that you have done for us. All the best,

Halsey (& everyone at
Children's Cove)
